## School Student Broadband Initiative

Your School Student Broadband Initiative Letter Agreement (**SSBI Agreement**) is changing to introduce new SSBI Rebates, increase the SSBI wholesale rebate, to extend the Campaign Period, and to incorporate a number of consequential changes.

Below is a summary of the notified changes to your SSBI Agreement.

Effective Date	
Changes relating to the Campaign Period extension and SSBI Wholesale Rebate	27 January 2025
Balance of changes relating to new Rebates	27 February 2025

Documents amended in mark-up	
SSBI Agreement	As shown

## Reconciliation period

As noted in the amended SSBI Agreement, invoices issued by nbn between 1 January 2025 and 31 March 2025 will not apply any SSBI Rebates. nbn intends to undertake a reconciliation exercise during this period. Any SSBI Rebates that would otherwise have been applied to an invoice in this period will be applied to a later invoice.

## Action required regarding this Change Notice

If your organisation has already signed and returned your SSBI Agreement, you do not need to take any further action in response to this Change Notice. If you do nothing, the amendments will take effect for your organisation on the dates listed above.

However, we understand that your organisation may wish to take advantage of these changes earlier. You can choose to waive part of the notice period that ordinarily applies in respect of these types of changes in two ways:

- by placing an SSBI Order (as that term is defined in the SSBI Agreement) on or after 1 January 2025; or
- requesting an executable of the waiver attached from [Customer\\_Contracting@nbnco.com.au](mailto:Customer_Contracting@nbnco.com.au) and returning a signed copy before 20 December 2024.

- Alternatively, if you would like to execute this letter using DocuSign, please request this via email to [Customer\\_Contracting@nbnco.com.au](mailto:Customer_Contracting@nbnco.com.au) before 20 December 2024.
